

Time Out for Parents: Course starting 1st February 2017

The “Time Out for Parents” course offered by *Passage* aims to encourage and build confidence in your parenting skills. We do this by recognizing the good and positive things you are already doing as a parent, as well as helping you to think about changes you might want to make. It was designed by Positive Parenting (Care for the Family UK). This is a 6-week general parenting course and ideally targeted at parents of children aged between 1-9 years old. All the sessions will be led by Lynn Frank who is a Licenced Positive Parenting (Care for the Family UK) facilitator. Participants will receive a certificate of attendance on completion.

The cost of the new course is *€250 per person or *350 as a couple. The dates of the course are as follows: Wednesday 1st February, 8th February, 15th February, 1st March, 8th March, 15th March. We will notify you in advance if there are any changes to any of the dates or course information shown.
