

Passage Professionals Network: Presenters Contact Information

Thank you for expressing a desire to participate at a future *Passage* Professionals Networking evening. We are continuously looking to build on our roster of speakers at these events and would welcome any contribution you may wish to share with our loyal group of English-speaking practitioners and professionals within the field of education, health and children's social development in Luxembourg. This is essentially an evening of discussion, peer support, information sharing and social networking, with the focus usually on the exchange of ideas, best practice and how best to meet the challenges of professionally working and supporting families in Luxembourg.

We set certain parameters for every guest speaker and we would ask that you please abide by these guidelines if possible. Your speech should be no longer than 15 minutes in length. This is usually followed by an open Q&A session (20 minutes), in which you can elaborate further if necessary. We also ask specifically that you NOT support your presentation with any visual output (ie. powerpoint, film, etc), as the latter tends to channel the evening into a less informal event. Other than that, the platform is yours for the taking and we hope that you enjoy sharing your story as much as we are sure to gain from listening to it!

- What do you wish to share/speak about with the Professionals Network? Please give brief outline of talk.

- Does your talk have a title or theme? _____

- Is there any info/resources you may wish to receive in exchange? _____

Name: _____

Profession: _____

Company/Business Name: _____
